

M. Rodayan's French Work

February 5 - 16

La dictée & assignment due during the second week.

Instructions for weekly work:

Write whether the word is a noun (n.m. ou n.f.), verb, adjective or adverb, provide an English translation and use the word in a sentence (in French, of course). For the verb, write a sentence using each of the parts of the present tense.

Instructions for la dictée

Study the vocabulary words and verb. For this week's test, students will be given the English word and will be expected to write the French translation.

Practice words daily for optimal results.
