

February 9, 2018

Dear Parents,

In an effort to help guide our Grade 7 and Grade 8 students into independence and prepare them for their academic career in High School, we are pleased to announce a new initiative for our Senior School Students.

Budgeting their time and breaking down larger projects into manageable tasks is an important skill and a tangible measure of future success.

Beginning the week of February 12, 2018, Grade 7 and Grade 8 students will be offered an opportunity to remedy missed tests and deadlines by attending our Student Success Club.

If a student has missed an assigned test or deadline, they may choose to attend a Student Success Club session. Student Success Club sessions will be offered Tuesday and Thursday mornings from 8:00-8:30am, and Monday and Wednesday afternoons from 3:30-4:00pm. Students will be given 1 opportunity to make up the missed test or assignment deadline. Failure to hand in the missed test or assignment within that week will result in cumulative late penalties and mark deductions as per our Academic Handbook.

Transitioning to High School can be an exciting and wonderful experience. We believe that with this new initiative, we will add one more valuable skill to the repertoire of our Senior School Students. If you have any questions, please do not hesitate to contact us.
