5. You're using a G Suite for Education account, click **I'm A Student.**

6.**Google Classroom** should come up. Select the Class you want to work within, just like you do at school. Click on the assignment. You are good to go!

****Here is the most important direction to follow:

If you are having trouble accessing Google Classroom, call your social studies teacher for help.

OR

Do the assignment as hand-written work if possible. The teacher may have provided a hard copy to work from if needed.
