# **CHAPERONE DUTIES**

- A. Know the daily itinerary. Make sure the students have what they need for that day (e.g., sun block, towel, food money, performance attire, etc.)
- B. Make sure all students are accounted for before departing any location.
- C. Keep the students on time.
- D. Know the student guidelines and enforce them.
- E. Report any illness or problem immediately to the Director/Educator.
- F. Chaperones are responsible for students who stay behind in their hotel rooms or who do not participate in a scheduled activity. A chaperone must accompany his/her designated student in these cases.
- G. Since we are guests at the hotel, we need to make sure that we do not disturb other hotel guests. Chaperones should encourage students to:
  - use the hallway for travel, not congregating.
  - keep conversation volume in rooms and hallways at an appropriate level.
  - meet in public areas of the hotel when congregating as a group of guys and gals, not in the rooms.
  - keep their rooms reasonably neat and quietly close doors.
  - be in their rooms during designated curfew time.
  - treat hotel staff and other guests with respect.
- H. At the hotel chaperones should:
  - quiet any excessive noise at all times.
  - check and investigate all suspicious activities: inspect rooms, closets, drawers, suitcases or anything else that the situation warrants.
  - check assigned rooms at curfew time and at any other time deemed necessary.
  - make sure everyone is up in the morning.
  - ensure that adequate chaperone supervision is present in the pool area whenever students are there.
  - maintain order in the hotel meal area when dining.
  - check rooms for forgotten items before checking out of the hotel.
- I. Contact the Sunshine Travel Trip Manager for any itinerary questions.
- J. Be flexible. Circumstances may cause the itinerary to be changed or altered. If such circumstances arise, the Director/Educator and Sunshine Travel Trip Manager will make the appropriate decision and inform the chaperones.
- K. Perform any other tasks as designated by the Director/Educator (e.g., keeping track of students' medical information, etc.).

# **LUGGAGE GUIDELINES**

The Transportation Security Administration (<a href="www.tsa.gov">www.tsa.gov</a>) has specific regulations and tips regarding carry-ons for air travel. Pack liquids and gels in your checked luggage. - One suitcase
  - Pack valuables such as jewelry, cash and electronics, as well as fragile items, in your carry-on
- Instrument (when possible pack your instrument inside your luggage)
- Check with your airline carrier or Amtrak for weight limits
- 2. Be sure to pack all overnight items like toiletries and medications in your carry-on bag when traveling through the night on the motorcoach/train/plane.

### CONDUCT ON THE TRIP

This is a tour for everyone, but it will only be successful if each person exercises common sense regarding courtesy and behavior.

When roll is called and/or instructions are provided to the group, please give your immediate, quiet attention to the speaker. This will greatly reduce the time spent on "business details" and give you more time for fun.

BE A MUSICIAN - Perform as well as you can at all times.
You are representing yourself, your school and your program. <u>TAKE PRIDE!</u>

BE FLEXIBLE - Allow for last minute, unforeseen changes in the tour itinerary as the situation demands. The tour has been planned with the needs of the group first. With the right attitude, you can make the best of any situation that should arise.

BE RESPECTFUL - Watch your language and noise level. Be courteous of people around you and outside your group. This includes disposing of all trash properly and respecting your director/educator(s) and chaperone(s).

Following these guidelines will make the trip more enjoyable for everyone.
