

Unit Reflection

You have learned and reviewed quite a bit of information over the course of a unit (hopefully!) In order to reflect on that learning please answer the following:

3 New Ideas you learned this unit. Discuss these topics, as well as how you learned them (what worked best for you)

2 things you want to know more about. What ideas intrigued you? What would you like to research further? Why?

1 favorite part of the unit. What did you like best? Topic, activity, lab...

The Parent Review

Dear Parent/Guardian/Significant Adult:

This interactive notebook represents your student's learning to date and should contain the work your student has completed in Biology class. Please take some time to look at their notebook with them, read their reflection, and respond to the following:

The work we found most interesting was _____ because...
