

Science 6  
Mr. Alexander

Grading:

Assignments: [classwork, homework, participation] (displays effort, organization, shows the work) ..... 15%

Participation: 10%

Prepared for class (has materials, e.g. science folder, pencils, etc.).... 3%  
Department (pays attention, follows directions, raises hand, etc.) ..... 3%  
Engages in class (asks relevant questions, contributes to discussion). 4%

Points for participation may be lost due to inappropriate behavior including but not limited to: calling out, rough housing, inappropriate contact with other students, damaging or interfering with other students work, misusing or mistreating classroom materials or supplies, engaging in unsafe behavior, disrupting the class, etc. Depending on the nature of the offense additional disciplinary measures may be necessary in accordance with school policy.

Labs Projects: (scored according to individual rubrics).....  
30%

Minor assessments (quizzes, group work) ..... 15%

Major assessments: (tests, essays, papers) ..... 40%

Assignments missed due to legitimate absences can be made up on the following schedule:

1 - 2 days absence . within 4 days

3 - 5 days absence . within 7 days

Scheduling for longer absences will be determined by conference with the student.

It is the student's responsibility to obtain missed materials and assignments due to any absence whether for illness, school related activity, or other reason. A student who is present in school but attending another activity (e.g. music lessons, rehearsals, guidance, etc.) is expected to collect any homework or other assignment for that day and complete it by the next class.
