Connector	2
STORY:	
NAME:	

The Connector's job is to . . .

MY CONNECTIONS:

- read the story twice, and look for connections between the story and the world outside.
- make notes about at least two possible connections to your own experiences, or to the
 experiences of friends and family, or to real-life events.
- tell the group about the connections and ask for their comments or questions.
- ask the group if they can think of any connections themselves.

These questions will help you think about connections while you are reading.

Events: Has anything similar ever happened to you, or to someone you know? Does anything in the story remind you of events in the real world? For example, events you have read about in newspapers, or heard about on television news programmes.

Characters: Do any of them remind you of people you know? How? Why? Have you ever had the same thoughts or feelings as these characters have? Do you know anybody who thinks, feels, behaves like that?
