

# Self-Expression Resources and Ordering Information

## Expression & Writing

- **Expanding Expression Program:** A multi-sensory approach for improved oral and written language. Sarah Smith (2007). [www.expandingexpression.com](http://www.expandingexpression.com)
- ***Kids' Book of Questions*** by Gregory Stock Good book for conversational level of articulation, language-based critical thinking, and self-expression goals. <http://barnesandnoble.com>
- **Myer-Johnson's Boardmaker Plus:** Great for making pictures. I use this program a lot to create flashcards for vocabulary, grammar, and specific classroom units. Pretty expensive, \$300 [www.store.mayer-johnson.com](http://www.store.mayer-johnson.com)
- **Picture Express Software:** Able to make pictures for flashcards, grammar, and classroom units. Pretty expensive, \$250 [www.pictureexpresssoftware.com](http://www.pictureexpresssoftware.com)
